

## **Introduction**

The *Statistical Indicators on Foreign Nationals* is designed to help foreign nationals better understand key statistical information relevant to them. The indicators are organized into five thematic categories: **marriage and fertility**, **education**, **labor**, **social welfare**, and **others**. This classification aims to provide a comprehensive overview of data concerning foreign nationals, supporting public awareness.

The symbols used represent the following meanings:

「—」 : Zero or not available

「--」 : meaningless

「...」 : not yet published

「0」 : Less than a half unit

「Ⓞ」 : Revised figure
